

m_cli2::prototype_and
_cmd_args_to_nlist

```
graph LR; A[m_cli2::set_args] --> B[m_cli2::prototype_and_cmd_args_to_nlist];
```

A diagram showing a call from m_cli2::set_args to m_cli2::prototype_and_cmd_args_to_nlist. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray and the right box is white.

m_cli2::set_args
